STRENGTHENING EUROPEAN RESEARCH COOPERATION FOR SMART
AND SUSTAINABLE MANAGEMENT OF TROPICAL AND SUBTROPICAL BIODIVERSITY
IN OUTERMOST REGIONS AND OVERSEAS COUNTRIES AND TERRITORIES

Biodiversity Management Toolbox

Rob Hendrix

Boosting Biodiversity Research Cooperation
A NetBiome Roadmap for European (sub)Tropical Overseas
6 April 2016, European Parliament, Brussels

This project has received funding from the European Union's Seventh Programme for research, technological development and demonstration under **Grant Agreement Number: 603710**. This presentation only reflects the views of the author(s), and the European Union cannot be held responsible for any use which may be made of the

Biodiversity Management Toolbox

Online information and communication system

- Stakeholders database
- List of good practices for biodiversity preservation
- Case studies and methodologies of socio-economic biodiversity valuation, plus training and communication materials
- Communication forum for stakeholders

Stakeholder database

- Unique tool to identify partners or experts for OCTs/ORs
- Currently ±160 stakeholders
- Dynamic list, registration possible
- Information: cv, main interests and expertise, projects involved, geographic region of interest, contact details
- Search function

Stakeholder search

Boosting Biodiversity Research Cooperation

A NetBiome Roadmap for European (sub)Tropical Overseas
6 April 2016, European Parliament, Brussels

This project has received funding from the European Union's Seventh Programme for research, technological development and demonstration under **Grant Agreement Number: 603710**. This presentation only reflects the views of the author(s), and the European Union cannot be held responsible for any use which may be made of the information contained therein.

Tools to disseminate project outputs: Good practices

- Good practices in biodiversity conservation in OCTs and ORs
- Provided by stakeholders
- Categorized in four types

Boosting Biodiversity Research Cooperation
A NetBiome Roadmap for European (sub)Tropical Overseas
6 April 2016, European Parliament, Brussels

This project has received funding from the European Union's Seventh Programme for research, technological development and demonstration under Grant Agreement Number: 603710. This presentation only reflects the views of the author(s), and the European Union cannot be held responsible for any use which may be made of the information contained therein.

Tools to disseminate project outputs: Biodiversity and ecosystem valuation

- List of valuation case studies including details and download source
- Training and communication materials
- Fully searchable and dynamic

Forum

- Communication platform targeted to stakeholders for
 - Exchange of information
 - Collaboration on research, projects or calls

Use the Biodiversity Toolbox

- Resource maintained after finalization of CSA project
- Hosted by the Netherlands, as part of its OCTs biodiversity database
- All stakeholders not yet listed are encouraged to register
